K-18-E05-RD

3/4 Inch Wide EconoCinch

WATCH DEMO VIDEO

The EconoCinch can be used to bundle cables or hoses or to strap equipment to desks or carts. The loop lock acts as a pulley, giving you leverage to tighten the strap as needed. Another plus: The non-metallic buckle is safe to use around electrical and magnetic equipment.

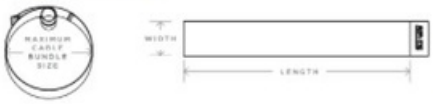
Description

The EconoCinch can be used to bundle cables or hoses or to strap equipment to desks or carts. The loop lock acts as a pulley, giving you leverage to tighten the strap as needed. Another plus: The non-metallic buckle is safe to use around electrical and magnetic equipment.

product code	product size	maximum bundle size
K-12-E	3/4" x 12"	2.75"
K-18-E	3/4" x 18"	4.75"
K-36-E	3/4" x 36"	10.5"

find the size that's right for you



1. First determine the diameter of your maximum cable bundle size
2. The maximum cable bundle size will define the length of your EconoCinch
3. Find the appropriate product code on the chart above

NOTICE: This product is sold for use only for wrapping cable bundles. See directions for proper use. Do not use as a safety strap or in load carrying applications.
